

Playing Nice with My Friends

Hi friend, my name is Dennis Anderson and this is my truck, Grave Digger. I love monster trucks. I love racing, jumping, and putting on a great show for my fans.

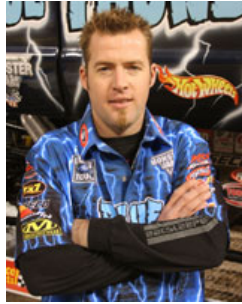

Here are some of my monster truck friends. This is Tom Meents. He drives Maximum Destruction.

Candice Jolly drives Monster Mutt.

Linsey Weenk drives Blue Thunder.

And Chuck Werner drives Bulldozer.

My friends and I like to drive and play together at the Monster Jam shows. Sometimes I win and sometimes they win. I never get mad when they win.

I just tell them, "Good job."

My friends and I play nice together too. We never run into each other with our trucks or try to push each other's trucks over.

That wouldn't be nice. It might hurt their trucks and their feelings.

You should never push someone else's bike over either.

That wouldn't be nice. You could hurt their bike and their feelings. Most importantly, Jesus likes it when we play nice with our friends. Then we can all have fun together.
